

A Picture Is Worth a Thousand Words: C&D Image Library

Our C&D Image Library is your go-to resource for images that represent our diverse clients.

Remember to let clients know:

- The images can be selected for free to use in their Core benefits guide!
- Photos must fit in the Core guide template layout. (Designers can double-check!)
- Clients can use their own photos for one credit.

The Benefit Spot mobile app!

The Benefit Spot app is an all-in-one resource for benefits information.

This app includes a unique company code that employees can enter to access a company's benefits information. Clients can choose up to nine home page buttons, with:

- “Tap to call” function for carrier contact information
- Benefits and basic plan information
- Educational videos
- Costs for common health care procedures through cost comparison tools
- Spanish capabilities
- And more!
