C&D Learn

Learn More From Our C&D Videos

C&D 101

Need to learn more about C&D processes or best practices? These videos are the best way to get the scoop on all things C&D:

- Placing a Core Order
- Best Practices for Core Edits
- Benefit Spot Buttons
- Scope Approvals
- Best Practices for Curated Edits
- WordPress DIY
- Workfront Proofing Tool
- How to Place a Crafted Order
- Using the Crafted Template

Visit **hublearning.csod.com** to check them out. These materials can be found by searching "C&D" in HUB Learning and selecting "HUB Communication & Design" from the "Provider" drop-down menu. Please note, HUB Learning is only available for HUB employees. If you'd like to share any resources externally, please reach out to your C&D contact.
